Dear sisters in Christ,

"Grace and peace be multiplied in the knowledge of God and of our Lord Jesus" (2 Peter 1:2).

Our Presbytery appreciates and is infinitely grateful for the visit of Brother Presbytery of St. Augustine. Through their presence and exchange in the congregations they visited, they shared much of the hope and love of Christ, as expressed by the leaders and pastors of these communities.

We are also grateful for the shared help, which has been destined to support pastoral families, which in the midst of the difficult and deep crisis that the country is experiencing, continue faithful to the vocation and commitment to work in the work that God has entrusted to them together with the people of Cuba.

Without further ado, I am grateful to you, in our common Lord Jesus Christ,

PP. Anays Noda Linares
Moderadora del Presbiterio de Matanzas.
